Purchasers have a right of possession beginning twenty days after the purchaser's deed is filed in the deed records (Section. 33.51, Texas Tax Code).
6. Anyone having an ownership interest in the property at the time of the sale may redeem the property from the purchaser during the redemption period. The redemption price is set by the Texas Tax Code as follows: purchase amount, deed recording fee, taxes paid by purchaser after the tax sale, and costs expended on the property, plus a redemption premium of 25 percent of the aggregate total during the first year or 50 percent of the aggregate total during the second year. "Costs" are only the reasonable expenses incurred by the purchaser for the maintenance, preservation, and safekeeping of the property. Do NOT make unnecessary repairs or renovations during the redemption period.
7. Property is sold by legal description. Bidders must satisfy themselves concerning the location and condition of the property on the ground, including the existence of improvements on the property, prior to this tax sale.
